# WELCOME TO RIVER COUNTRY CO-OP

River Country Co-op is a multi-faceted cooperative that has roots dating back to 1948 serving both farm and consumer customers. Annual sales exceed 220 million dollars at our company. Our strength lies in diversity. We pride ourselves on cleanliness, service and friendly staff. River Country Co-op serving the Heartland of Wisconsin.

Our success is based on solid memberships and the ability to identify and implement programs and services that not only benefit our valued farmers but also our neighbors and community patrons.

We separate ourselves from other cooperatives through a combination of products and services, payment of dividends based on profits, cutting-edge technology, the most efficient grain plant system in the region and the largest fuel supplier in our market...to name a few.
