Preferred Stock Program

For All River Country Co-op Stock Holders

We have a new program called the **Preferred Stock Program**. Preferred stock certificates or "PSC" is stock in the coop that you would earn as a patron, only this stock is paid a guaranteed dividend (interest).

Interest (dividends) on the stock program will have a **floor of 2% and a cap dividend maximum of 8%**. The interest rate formula will be determined by the Prime Lending Rate of the Federal Government as posted in the Wall Street Journal minus 1.75%.

The initial interest rate (dividend) will be 3%. This will be guaranteed until June, 2021. Stock certificates will be issued at a minimum of \$5,000, with increments of a minimum of \$5,000. There is a \$250,000 maximum and the co-op will offer the certificates on a first come, first serve basis with a cap of 5 million dollars issued.
