Bring in your military ID any time the month of May and receive 15% off your meal. (Excludes alcohol).

RiverCountry CO-OP AGRONOMY DIVISION

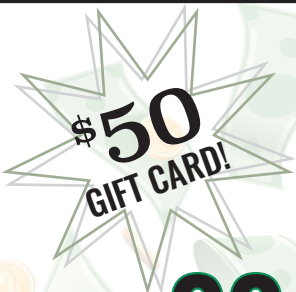

Our Airflow Machines consist of...

- Mapping & precision ag for dry spreading
- Row sensors for tires to keep us off the crop
- Auto shutoffs with RTK technology
- Auto driving for airflows & sprayers, precision acre coverage with technology
- All units are GPS precision ag applied machines

SPRAYING PROGRAM

- **Free Crop Scouting & Weed Identification**
- **Auto Path Technology**
If you have JD equipment, we can follow shared guidance lines from your planter
- **High Clearance Spraying – Ability to adjust our heights**
Post emerge fungicide, insecticide and drop nozzeling
- **VRT & Precision Spray Boundaries Technology**
Computer field mapping allows for spraying where it needs application with auto-boundary shutoff
- **Biological Yield Enhancement Program**
Formulated additives to release existing locked up fertilizer
- **Net Profit Program Service**
Computer software designed to enhance your ROI on each acre using all data on fields
- **Precision Application**
Newest spray technology on new spray equipment allows for precision application and invoicing for only what you used
